

## Fees for Media Production in State Parks

Suggested fees for commercial filming, photography, video, etc. are based on a daily rate based on when the Park is open.

**Note: Per Media Production Procedure (State Park Procedure: SP-Pro-2.N.1), media productions can be approved at the site level if the Superintendent verifies there will be no potential impact to visitors or park resources and the activities will not require expenditures of staff time or finances.**

The below fee matrix is suggested rates only. Fees can be based on the type, size and complexity of the production and on the following categories:

CATEGORY "A"  
\$250

Film crew no more than 3 persons  
No more than 3 vehicles
